Additional Information About the Fall 2017 Semester at SIU Carbondale

The normal Fall 2017 Semester starts on Monday, August 21 and concludes with final exams during the week of December 11 through 15. The “first half” of the semester begins the week of August 21 while the "second half" begins the week of October 16. Our Fall Break takes place October 7 through 10, while our Thanksgiving Break takes place November 22 through 26 (though the School of Law has different breaks).

Please note that on Monday, August 21, classes will be cancelled due to the total solar eclipse.

The Fall Commencement combined ceremony will be held on Saturday, December 16 at the SIU Arena.

The above listing notes in one place most classes still available at SIU during Fall 2017:

+ The list excludes 599 / 600 / 601 course numbers and it also excludes those classes with 700 to 799 section numbers.
+ The list is sorted by course ID. Subject abbreviations in the course ID are explained here.
+ An explanation of section numbers for online and hybrid classes is here. Note that some of these sections are restricted.
  * A proctor may be required for some online classes (check with your academic advisor).
+ Information about University Core Curriculum requirements is here or is in chapter 3 of the Undergraduate Catalog.
  * The UCC codes that are shown in the list correspond to the UCC areas and sub-areas and are explained here.
+ Classes having Meeting Dates shown as “full term” start on August 21 and end on December 15 or 17.
+ A class with a range of hours defaults to the lowest number during registration, but you can change it (see here, Step 12).
+ Up to two distinct meeting patterns (Days, Times, and Location) are shown, though a few classes may actually have more.
  * Abbreviations for days of the week, from Monday through Sunday, are as follows: M, T, W, R, F, S, and U.
  * Meeting times are shown in a 24-hour time format. To convert to a 12-hour (AM/PM) time format, look here.
  * Building codes shown in the location fields are identified here. Some rooms have not yet been determined.

Here are some other things you need to know when trying to use the above listing:

+ To get more details about individual class offerings, see our Schedule of Classes, particularly the searchable schedule.
  * Searchable schedule results have links to a catalog description of the class as well as the textbook(s) required.
  * Search results display enrollment statistics to help you see if a section still has open seats and/or a waitlist.
+ To register, you will need to log into SalukiNet with your Network ID. Details on how to use SalukiNet to register are here.
+ You need to get your SIU e-mail address if you have not done so. You can do that here after you register for the first time.
  * Official University communications are sent to the SIU e-mail address, so please check it regularly.

Advance registration for these Fall 2017 courses will open for particular groups of students in early April 2017 according to the staggered-start schedule noted at http://registrar.siu.edu/students/advancereg.php. Please be aware that the deadline to register for shorter courses usually will be the first day of the particular course.

If you have not yet been admitted (or readmitted) to the University, please go to http://siu.edu/admissions/ to get that taken care of. If you are a newly-admitted student, you should visit http://registrar.siu.edu/students/mandatory.php to review a list of things that you need to do as a part of starting your studies at SIU.

The information in this PDF is provided by the Registrar’s Office. More information about the Registrar’s Office is available at http://registrar.siu.edu/. On that site you will also have access to academic and other calendars, as well as PDF versions of catalogs. Additional information about the registration process may be found here.
