This Summer 2020 schedule has been significantly updated. Given the evolving nature of the COVID-19 pandemic, the University has decided to convert on-campus face-to-face class sections to online class sections when possible for Summer 2020. Such classes now have new section numbers in this revamped schedule.

Getting More Details From the Above Listing of Summer 2020 SIU Carbondale Classes

For more details on individual courses noted in the above listing, go to https://registrar.siu.edu/schedclass/ and use the Schedule of Classes search page. (The search page will look like the image below.) At a minimum, you will have to select at least one course subject. You can optionally specify a course number or the first digits of a course number. The optional instructional method allows you to select just off-campus and/or online sections so that you don’t have to look at the on-campus sections if you do not wish to. The individual sections that display in the search results contain information such as that noted in the above listing, as well as add/drop dates, instructor(s), capacity and actual enrollment, course prerequisites and restrictions, and any applicable required course fees. Topics courses should show a more detailed course title in the search results than is shown in the above listing.
Additional Information About the Summer 2020 Session at SIU Carbondale

The normal 8 week Summer 2020 Session starts on Monday, June 8 and concludes with final exams on Thursday and Friday, July 30 and 31. The “first half” of the session begins the week of June 8 while the “second half” begins the week of July 6. Preceding the normal Summer Session is a 4 week Summer Intersession that starts on Monday, May 11. In total, this allows for 12 weeks of concentrated instruction between the Spring and Fall semesters, with many classes lasting either 8 weeks or 4 weeks, and some lasting as little as 2 weeks or even 1 week.

Some off-campus and online classes may start before May 11 and/or end after July 31, but are still considered as Summer classes if they are listed in this PDF. Such classes, as well as classes scheduled during the Intersession, all count for the student as a part of the Summer 2020 Session for their credit hours and time status, GPA and Deans List, tuition and fee assessment, financial aid, and graduation eligibility calculation purposes.

The above listing notes **most classes** still available at SIU during **Summer Intersession** and **Summer 2020**:

+ The list excludes 599 / 600 / 601 **course numbers** and it also excludes those classes with 700 to 799 **section numbers**.
+ The list is sorted by **course ID**. Subject abbreviations in the course ID are explained [here](#).
+ An explanation of section numbers for online and hybrid classes is [here](#). Note that some of these sections are restricted.
  - A **proctor may be required** for some online classes (check with your academic advisor).
+ Information about University Core Curriculum requirements is [here](#) or is in the **Undergraduate Catalog**.
  - **The UCC codes that are shown in the list** correspond to the UCC areas and sub-areas and are explained [here](#).
+ **Classes having Meeting Dates** shown as “full term” start on June 8 and end on July 31.
+ A class with a range of hours to the lowest number during registration, but you can change it (see [here](#), Step 12).
+ Up to two distinct meeting patterns (Days, Times, and Location) are shown, though a few classes may actually have more.
  - **Abbreviations for days of the week, from Monday through Sunday, are as follows:** M, T, W, R, F, S, and U.
  - **Meeting times are shown in a 24-hour time format**. To convert to a 12-hour (AM/PM) time format, look [here](#).
  - **Meeting times for a non-Illinois location use the time zone for that location**. Online courses use **Central Time**.  
  - **Building codes shown in the location fields** are identified [here](#). Some rooms have not yet been determined.

Here are some other things you need to know when trying to use the above listing:

+ To get more details about individual class offerings, see our **Schedule of Classes**, particularly the searchable schedule.
  - **Searchable schedule results have links** to a catalog description of the class as well as the textbook(s) required.
  - **Search results display enrollment statistics** to help you see if a section still has open seats and/or a waitlist.
  - **Other important information related to policies, deadlines, and charges** is noted on that **Schedule of Classes** page.
+ To register, you will need to log into **SalukiNet** with your **Network ID**. Details on how to use SalukiNet to register are [here](#).
+ You need to get your SIU e-mail address if you have not done so. You can do that [here](#) after you register for the first time.
  - **Official University communications are sent to the SIU e-mail address**, so please check it regularly.

Advance registration for these Intersession and Summer 2020 courses will open for particular groups of students in **early April** according to the staggered-start schedule noted at [https://registrar.siu.edu/students/advancereg.php](https://registrar.siu.edu/students/advancereg.php). Please be aware that the deadline to register for shorter courses usually will be the first day of the particular course.

If you have not yet been admitted (or readmitted) to the University, please go to [https://siu.edu/admissions/](https://siu.edu/admissions/) to get that taken care of. If you are a newly-admitted student, you should visit [https://registrar.siu.edu/students/mandatory.php](https://registrar.siu.edu/students/mandatory.php) to review a list of things that you need to do as a part of starting your studies at SIU.

The information in this PDF is provided by the **Registrar’s Office**. On their web site you will also have access to academic and other calendars, as well as catalogs. Additional info about the registration process may be found [here](#).
